The **Atlas Flex-Block™ Salt Table** provides an easy-to-use and ultra-comfortable system to deliver the healing properties of salt. This next-generation salt table is like no other. Our exclusive Himalayan Salt Flex-Block™ bed allows spa guests to lie directly on a solid surface of salt. Unlike granular salt beds, the Atlas Salt Table is easily sanitized with an eco-cleaner before each treatment. Your clients will benefit from the healing power of Himalayan Salt, known to improve respiratory function, soften skin and provide stress relief. The Atlas Salt Table can be used for massage and body treatments, or on its own for relaxation and rejuvenation.
